MEMORANDUM TO THE DEPUTY COVERT SERVICES OFFICER

SUBJECT: Scale of OPC Operations

1. Reference is made to your recent request to the Budget Officer for information concerning the above subject.

2. It is estimated that the personnel strength of OPC will reach the following figures during the period indicated:

	FY 1950	FY 1951
a. Vouchered		
b. Unvouchered		
Total		

25X9A2

In general, the vouchered personnel will be in Washington and the unvouchered personnel will be located overseas. There will be an average time lag of six months between employment of unvouchered personnel and their shipment to overseas points.

3. It is estimated that the following OPC overseas stations will be activated:

25X9A2

a. FY 1950	
b. FY 1951	
Total	

The overseas stations will be activated initially on a relatively small scale but activities will increase at a later date.

4. The estimates in para. 2 and 3 above are tentative only but are the best available data at this time.

Executive Officer, OPC
